

Who's Really Standing Up for NJ's Values?

BOB MENENDEZ

- Instrumental in passing the **Affordable Care Act** with President Obama and has stood up to GOP attempts to repeal the ACA
- Authored NJ's first ever **hate crimes** bill and is working to restore and expand the **Voting Rights Act**
- Reforming our criminal justice system as a cosponsor of the **National Criminal Justice Commission Act**
- Endorsed by **Planned Parenthood Action Fund**
- Working to protect **DACA** while also fighting against the Trump Administration's cruel zero-tolerance immigration policy with the **Keep Families Together Act** and the **REUNITE Act**
- Negotiated **Wall Street Reform** law to protect taxpayers and homeowners from Wall Street abuses, and instrumental in the creation of the **Consumer Financial Protection Bureau**
- Increasing access to higher education with the **America's College Promise Act**, which would make two years of community college free for all students
- Proudly has an **F-rating** from the **NRA** and is **combating gun violence** by supporting universal background checks, banning assault weapons and high-capacity magazines, and fighting the State Department's release of 3D gun blueprints

BOB HUGIN

- Donated over \$100K to **Trump**, including \$50K after Trump selected **Mike Pence**, a notorious anti-LGBTQ politician, as Vice President
- Served as a **delegate** for Trump at the **GOP convention** and later had an official role with Trump's transition
- Supported both of Trump's conservative **Supreme Court nominees**
- Donated \$500K to a **far-right organization** that successfully recommended Trump cabinet members Scott Pruitt, Betsy DeVos, and Rick Perry
- Worked on **Wall Street** before joining **Big Pharma**, where he doubled the cost of cancer medication to boost the company's stock price
- Discriminated against the woman trying to join his all-male club at Princeton University and accused her of "**politically correct fascism**"
- Threatened that if he found out a member of his club identified as gay, they "**wouldn't last long**"

NJ needs Bob Menendez, a senator who looks out for all members of society, not just the most privileged.

It's never mattered more. Vote for **Bob Menendez** on Nov. 6.
